## THRIVING STUDENTS

Our school offers a safe learning environment for children to thrive and grow. From an early age, students develop and practice the inclusive values of the Gospel.

Classmates that grow up together often form lifelong friendships. These bonds provide them with the feeling of belonging, acceptance, and community for years to come.

If your family is ready to invest in your child's friendships or you can share our school with someone, please contact Jill Simon / [jsimon@misda.org](mailto:jsimon@misda.org) / (734) 420-4044.

Once again, to commemorate Veterans Day, MJA will display the Field of Honor out front. As we know Veterans Day is a celebration to honor America's veterans for their patriotism, love of country, and willingness to serve. We also include active military personnel.

Please take an envelope from the lobby, or use your own and mark the name of donor and the veteran that it honors. You may donate to display either a small flag for \$20 with one name or, if you have several veterans to honor, the large flag is \$50 and you may include all the names.

Flags will be on display from November 1 to the 11th. Thank you for your support of MJA.

Sabbath, November 11, all students will be involved in the Metro Church worship service (except the sermon). This is a mandatory event to attend. Students will sing, play handchimes, offer the prayers and various other parts of the service.

Looking ahead:

**November 6-9: Fall Week of Prayer with Pastor Jared Thomas**

**November 13-16 Spirit Week themes:**

**Mon Nov 13 "Harvest Day"**

**Tues Nov 14 "USA Day" red, white & blue**

**Wed Nov 15 "Opposites Day"**

**Thurs Nov 16 "Sports Day"**

# Lapu Lapu School

A few years ago MJA “adopted” our sister school in the Philippines, Lapu Lapu. Our students collected school supplies that were shipped to Lapu Lapu. Students were thrilled to get brand new school supplies to use this school year. (see below)

Mort had fun looking at all the pics of the happy students that attend Lapu Lapu Adventist School.

MJA saves the weekly “Dress Down” offering and our annual Christmas program offering to send to Lapu Lapu. Below are students receiving a big bag of rice with part of the money that was sent this summer. Rice is extremely expensive in the Philippines and staff and students were absolutely thrilled to be gifted the rice.
