PARENTS AS PARTNERS

Active parental involvement make a BIG difference at Metropolitan Seventh-day Adventist Junior Academy. We view education as a partnership between parents and educators. Many families volunteer their time on campus or even from home. By participating in their child's education, they also contribute to our learning community and are examples of leadership to all of our students.

Are you sharing our school with others? Please contact Jill Simon / jsimon@misda.org / (734) 420-4044 for a personalized education conversation.

Please see the attached sheet with information about the Hoodie orders and final order date.

Also attached is information about the Box Tops for Education program which has been made easier by use of a phone app. No more cutting little coupons on the tops or sides of boxes and then remembering to bring them to church or the school.

If you were contacted by one of our students asking you to sponsor them for MoveATHon, donations are accepted either in cash or check. Checks may be made payable to Metro Jr Academy. In the memo section it is helpful to put MoveATHon and the student's name. Thank you for supporting our school!

From Mort the Metro mouse:

What a pleasure it was to enter the School Tuesday & hear K-2 singing with much enthusiasm as they practice for upcoming events.
