## CHURCH + SCHOOL = TOTAL MEMBER INVOLVEMENT

November through December is the season to celebrate giving! Generosity is more than giving money. Our school values the partnership between church and school! It is said the no one has ever become poor by giving. There are many different ways you can commit to giving. Join Metropolitan Seventh-day Adventist Junior Academy in the joy of giving!

Do you know of someone you can share our school with? If so, please connect them directly with Jill Simon / [jsimon@misda.org](mailto:jsimon@misda.org) / (734) 420-4044.

**Reminder that all students are expected to be at the Metropolitan Worship Service this Sabbath, November 11.**

**The students will be conducting the church service (except the sermon) and we need everyone present.**

**Teachers will instruct the students where they need to assemble and what time to meet. The students have been practicing diligently for this day.**

**Spirit Week is next week, November 13-16. Here are the themes for each day:**

- Monday - Harvest Day**
- Tuesday - USA Day, (red, white, and/or blue)**
- Wednesday - Opposites Day**
- Thursday - Sports Day**

**Thanksgiving break will start on Wednesday, November 22. We will have a full day of school on both Monday the 20th and Tuesday the 21st.**

**Hard to believe that once students return from that break they will be busy getting ready for the annual Christmas program, Thursday, December 14, 7pm.**

# "Consider the birds. . . ."

This week has been the annual Fall Week of Prayer. Our guest speaker is Pastor Jared Thomas who pastors the Oakwood and Monroe churches. He has been presenting on birds that are mentioned in the Bible. Monday it was the raven. If God can change a selfish raven (they fed Elijah), he can change our selfish nature.

Tuesday's bird was the hen. Just as mother hen protects her young, God always keeps us safe.

Wednesday it was the sparrow. Just as God cares for the sparrow of the field, He will care for us.

Thursday's bird is the majestic eagle.

I was able to sneak in each day and listen. These were really good lessons . I was "as quiet as a Church mouse"!
