OUTSTANDING SCHOOL SERIES: Time Well Invested

What makes a school outstanding? Our faith-based intellectual development, community spirit, and mutual respect are just some of the factors that make Metropolitan Seventh-day Adventist Junior Academy great.

Over the next few weeks, we'll be sharing several ways that set MJA apart. This week it's Time Well Invested, next week, Parents As Partners.

Time Well Invested: MJA respects the significant trust parents place in us when they enroll their children. Valuable time is spent on campus, so our teachers and volunteers go above and beyond to ensure a student's success, well-being, and character development.

Do you know someone you can share our outstanding school with? If so, please connect them directly with **Jill Simon / jsimon@misda.org / (734) 420-4044.**

The annual MoveATHon takes place Tuesday, September 27 at the Kensington Metropark Martindale Beach. Parents who will be attending with their student(s) may go directly to the park that morning. There is no need to come by the school first. If your student will need a ride from the school to the park, please let their teacher know as soon as possible.

Home & School will provide a picnic type lunch but are asking those who are able to also bring along some type of a "treat" item to share. This might be fruit, cookies, brownies, etc.

Students have been busy contacting sponsors for the event. Some individuals may offer to pay the student "per mile" for their activity and some may just offer a "flat rate" for the event.

GIVE BLOOD

Metro Church is sponsoring a Red Cross Blood Drive, Thursday, Oct. 13, 2022 from 9:00 a.m. to 3:00 p.m. There is a serious shortage of blood in the area and any parents, family members, friends or neighbors who would be willing to help, please call 1-800-RED CROSS to make an appointment.

Below are photos of our 2022 Kindergarten graduating class. The graduation took place the last day of school and the final newsletter for that school year had already been published. 3 young ladies were in that class and 1 of our 1st graders who had not been honored with graduation activities (thanks to COVID!) was also honored. They look so special in their caps and gowns, we knew you would like to see them.
