## LIFE SKILL: PROBLEM SOLVING

It's simply not possible for a student to memorize every single thing they may need to know. Problem-solving can isolate the problem and either find or create an answer for it. Problem-solvers find energy, not frustration. Curious to learn more about how our school encourages this practice, contact Jill Simon / [jsimon@misda.org](mailto:jsimon@misda.org) / (734) 420-4044.

Students there is still time to contact sponsors for MoveAthon. Now you know how many miles you "Moved" and some will pay per mile and others will give you a set amount.

Don't forget your church family or family and friends that may live out of time. There is still time for them to participate. There are Metro church members who look forward to being contacted to help. Check your directory and be sure to reach out to them.

Plans are being made for a whole school field trip to a local apple orchard. The date is tentatively set for Tuesday, October 17. Once we have confirmed the orchard and cost per student, we will share that with you.

Picture Day is later this year. Typically by mid October we have had our annual Picture Day. However, Lifetouch has been reorganizing their picture day schedules. The anticipated date is Tuesday, January 23.

The annual Move A Thon took place Tuesday, September 26 at Maybury State Park. Although the weather was a bit chilly and not ideal at times, the students "weathered" it quite well. With spirits high and lots of youthful energy students either rode their bikes or walked the trails.

Lunch was provided by our main "Home & School" volunteer, Heidi Anderson. She prepared quite a picnic spread including sub/hoagie sandwiches, pretzels, fruit, and beverage. We want to thank her for all the hard work!

# Metropolitan Junior Academy Hoodies

MJA is currently having a fundraiser to help defray the cost of painting our new gym doors. Cost per hoodie is \$40 and Custom Ink will be fulfilling the orders.

**Pullover Hoodie**  
**Color: Carolina Blue**

Gildan Midweight 50/50  
 Sizes YXS - XXXXXL
