MINISTRY SPOTLIGHT

DO AS I DO

Modeling good behaviors and attitudes to your children pays off. Be a good role model at all times. Children learn from what they witness. Model a clear sense of right and wrong by obeying laws, rules and making thoughtful decisions. This is what the Bible tells us to do. Show children you care about people by modeling friendship with others, lending a hand to neighbors or working with your church and school or other charitable organizations. One simple way to model being a good citizen is to volunteer at school. Start with this new school year by committing 1-2 hours a month to show your kids how to make a difference with your gift of time! Please contact Jill Simon / jsimon@misda.org / (734) 420-4044.

There will be No School Labor Day, Monday, September 4, Classes will resume Tuesday, September 5. Enjoy the "last" holiday weekend of the summer.

The annual Move A Thon will take place Tuesday, September 12. Please be sure to attend Parent Orientation, Thursday, August 31 at 7:00 pm. The location for this year is being changed from Kensington Metropark.

We have several younger students this year and, since the Kensington path is 8 miles around the lake, a shorter route seemed to work best. Mrs. Simon and staff will share the plans for this year's event.

Miss Anderson certainly enjoys wildlife photography!
